

ST. LOUIS REGION SPORTS CAR CLUB OF AMERICA

TECH-O-RAMA II – SATURDAY MAY 21st - 10:00 am until 4:00 pm – Rain or Shine

WHERE: Lynch Hummer/Adventure Shooting Sports, 17371 North Outer 40, Chesterfield MO 63005
(Interstate 64/US 40 - Boones Crossing exit (#17) - west on North Outer Road - second facility on right)

FREE INFORMAL TECHNICAL / SOCIAL EVENT for all car enthusiasts and car clubs. Our activity sponsors and supporters will be there with information, giveaways, and product displays. Members from a variety of St. Louis area motorsports clubs will display cars and club information. Hot dogs for all who attend. (Email stldsr@yahoo.com for further information or to add your name to the helper list - we're always looking for volunteers to help staff the event if you can donate an hour or the whole day)

CAR CLUB PRESENTATIONS AND DISPLAYS:

- **St. Louis Region Club Racing, PDX, Solo, Drifting, and all Rally groups** - See what makes us all part of one big family. SCCA membership information will be available. Cars, drivers, crew, In-car videos.
- **Area Car Club Information** – Audi, BMW, 350Z, Honda/Acura, Mini, Lotus, Corvette, Viper, and Porsche club information at the event.

RHINELAND TOUR (FUN & EASY) ROAD RALLY will start from Lynch Hummer at 1pm and end at *White House Restaurant* in Augusta, Mo. about 4pm for socializing and awards. Registration will be at the Techorama for anyone who wants to participate. \$15 per car, and non-SCCA members pay \$5 each for event insurance coverage.

ANNUAL TECH INSPECTION will be available for PDX, Solo, and Club Racing - please plan on completing your tech inspection by noon or contact stldsr@yahoo.com for special arrangements.

SCALES will be available for attendees who want corner and total weight readings. Camber and Toe measurements can be provided along with basic analysis for areas of improvement. Scales will be for "evaluation" purposes, providing you with a snapshot of where your car is currently set. (Email stldsr@yahoo.com to register if possible so we can plan our workload please)

COMPUTER , APPLIANCE, EVEN OLD CAR PARTS RECYCLING AVAILABLE! The Green Initiatives program of Operation Food Search, through the services of RNA World Wide LLC, will be on-hand to collect your recycle items, including computers, monitors, printers; electrical items up to refrigerators, washers and dryers, and fenders and brake rotors! (please check their website at www.rnaworldwide.com or contact them for the complete list of acceptable items)

- Nothing goes into a landfill. Each item we receive is disassembled to its core components. All items are processed in the United States.
- Most items are accepted free of charge, with one exception; Televisions are 10.00 each
- Charity Tax Receipts will be available, along with Certification of Data Destruction for data devices.
- Data devices can be destroyed at the event if you prefer!

POWERPOINT PRESENTATIONS (tentatively shown at 11am and 2pm):

- **ANZE Suspension** – Shock absorber and suspension tuning presentation - How to make your car handle better in easy-to-understand steps.
- **Fast Tech Limited - Data Presentation** utilizing the Race Technology DL1– what is data acquisition and how it helps you and your car go faster
